- ❑ Revenue and Group profit improved further in Q1-2016.
- ❑ Rental Income improved given higher number of foreclosed units available for rental with a fall on other income from investment deposits.
- ❑ Share of Results from Associates held steady in Q1-2016.
- ❑ Operating expenses includes cost of sales (AED 130M) and operating costs (AED15M) related to the Nad Al Hamar Land Project.

# Group Income Statement YTD Comparative Analysis

AED in Million

- ❑ Total revenue rose by 245% to AED 362M as compared to last year. This is due to income recognized in Q1 2016 from sale of real estate assets (Nad Al Hamar).
- ❑ Revenue from Financing Activity is AED 59M in Q1 2016, representing a 27% fall from the same period last year in view of lower financing (mortgage) book following customer repayments.
- ❑ Steady rise in rental income with slight increase in rental prices and further foreclosed units becoming available for rent.
- ❑ Operating expenses net of operating costs relating to Nad Al Hamar have reduced amounting to AED30M given robust cost management and savings in the quarter.
- ❑ Profit distributable to financiers improved by 11%, falling to AED 32M due to repayments of the Financiers Facilities.
- ❑ Net profit rose to AED123M in Q1 2016. This was due to income generated from the partial sale of land projects.

# STRATEGY

# Amlak's Strategic Direction

**2016 +**

**Amlak pursues a strategy of sustainable growth, customer centricity and operational excellence, underpinned by prudence and corporate governance and responsibility:**

**Growth**

- ❑ As a specialized real estate finance provider in the region, sustainable growth has been placed at the root of the corporate strategy. Key focus will be on developer finance and retail mortgage sectors for growth in core revenue streams. Amlak also pursues creating long term value from its real estate portfolio by considering development of land parcels in conjunction with suitable partners in an effort to better and faster fulfill its restructuring commitment to its financiers.

**Funding**

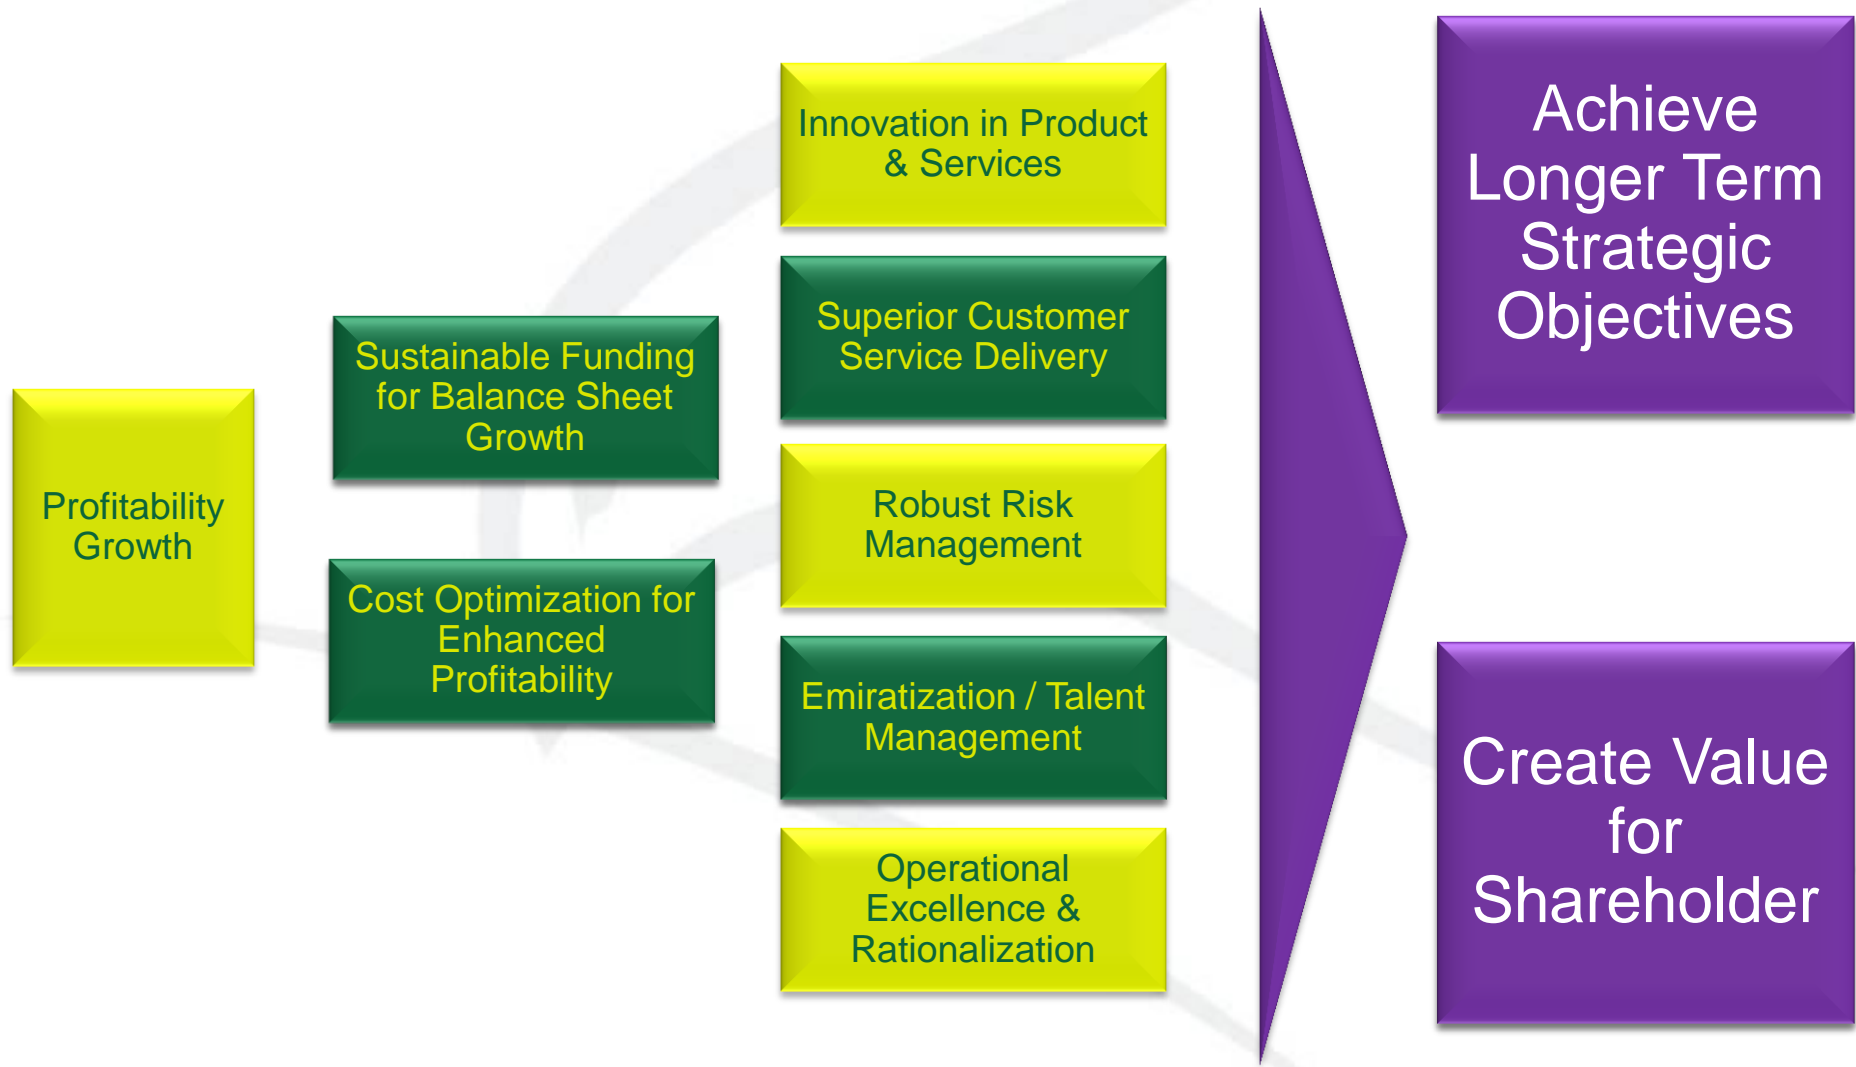

- ❑ Optimum and sustainable long-term funding will remain as a critical focus for the organization which will underpin its balance sheet and profitability growth strategy. A number of innovative funding options are being explored which allows Amlak to free capital and place itself as one of the leading real estate finance originators in the UAE.

**Value Propositions**

- ❑ Differentiated, innovative products in the retail mortgage landscape based on customer needs are the focus of the organization in 2016 and beyond. Key target segments will be resident and non-resident in addition to commercial financing.

**Organizational Capabilities**

- ❑ Improving customer service delivery through technology, targeted product development, robust risk management, progressive staff development and talent management as well as boosting corporate brand will be the other main strategic priorities.
